Silhouette Machines

.....

DO IT YOURSELF. DO IT YOUR WAY.

Our family of machines will change the way you innovate and create. Designer, maker, or creator —we have the perfect machine for you.

Silhouette CAMEO® 3

SILHOUETTE-CAMEO-3-4T-L

The Silhouette CAMEO® 3 is the ultimate DIY machine. Like a home printer, it plugs into your PC or Mac® with a simple USB cable. However, instead of printing it uses a small blade to cut paper, cardstock, vinyl, fabric, and other material up to 12 inches (30.5 cm) wide and 10 feet (3 m) long.

.....
[SILH-CAMEO-3-LBLU-4T-L](#)

Silhouette Portrait® 2 **NEW**

.....
[SILHOUETTE-PORTRAIT-2-4T-L](#)

The Silhouette Portrait® 2 is a smaller, lighter version of the Silhouette Cameo® electronic cutting machine. Like the Cameo, the Portrait connects to your computer, allowing you the freedom to cut over 100 materials for all your DIY projects.

Silhouette Curio™

SILHOUETTE-CURIO

The Silhouette Curio™ hobby machine is the perfect complement to Silhouette's other desktop machines. Curio is the only machine that can unlock stippling, etching, debossing, embossing and dual carriage features in the powerful Silhouette Studio® design software (included with purchase).

Silhouette Mint™

SILHOUETTE-MINT

The Silhouette Mint™ is the most innovative and powerful custom stamping system on earth. The machine's special thermal printing ability lets you create 3D reliefs of custom designs on Mint stamp sheets. Simply apply Mint inks to your stamp and you are ready to roll. Stamp up to 50 times before reapplying your ink.

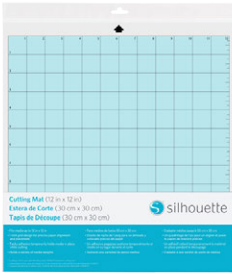

Mats & Bases

.....

Give your project material the right support for
all your Cameo, Portrait, and Curio projects.
